Keynote Speaker - Frank Meeink

Frank became a SkinHead at 13. By 18, he was a SkinHead leader and Neo-Nazi recruiter, with gangs that would beat people indiscriminately. He was arrested and convicted of kidnapping and beating a member of a rival SkinHead gang. While in prison, he befriended men of different races that he used to think he hated. After his release, he tried to rejoin his old SkinHead pals but couldn't bring himself to hate those whom he now knew to be his friends. Now a noted speaker, author and founder of *Harmony Through Hockey*, Frank's life stands for tolerance, diversity and mutual understanding in racial, political and all aspects of society.
